REMARKS/ARGUMENTS

By the foregoing amendment, claims 1, 14 and 19 have been cancelled. Claims 2, 7, 8, 9, 10, 15 and 16 have been rewritten in independent form. Since these latter claims have not been rejected based upon prior art and have been rejected based solely on double patenting, these claims are believed now formally allowable in light of the terminal disclaimer filed herewith.

There being no further outstanding objections or rejections, applicants believe that the application is now in condition for allowance, and early formal notification of the allowance of the application is respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
